

LA VENDÉMIARE

ANNE DE ROUCH

TERROIR

Knight and Royal Counsellor during the XVIIth century in the township of Salles d'Aude, Anne de Rouch is today, the emblem of the La Vendémiaire wine-grower's wines.

The grapes come from a selection grown in the limestone and sandy soils of the terroir.

Fresh red fruit aromas as well as soft tannins will blend in perfect harmony with your game and meat in sauce dishes.

GRAPE VARIETIES

Syrah 50% and Grenache 50%.

WINE MAKING

Traditional de-stemmed wine making, gentle pumping-over for 15 days and ageing in casks will transport you to the vineyards bordering the Mediterranean garrigues when you taste this cuvée.

TASTING

Its intense ruby colour with purple glints and its dark chocolate, blackcurrant jam and cinnamon bouquet will surely surprise you. Its round, fullness on the palate is accompanied by fine tannins coming from ageing in selected casks, watched over by our cellar master.
